SHOWING OUR TRUE COLORS

Welcome to the world of the Tontoquonian. This book is meant for the class of 1991, a class which is unique in every way. Our class has had its share of down times but has always managed to rise up and show our "true colors", colors that are bright and beautiful. Our true colors are the times we have shared and those times are what this book is all about.

SHINING THROUGH

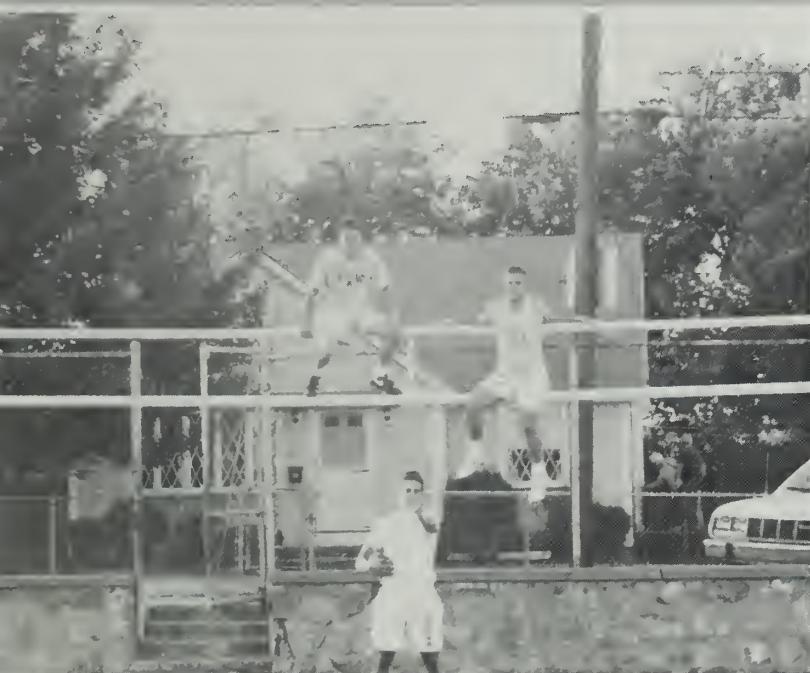

SUMMER SPORTS

Summer sports are abundant in Saugus, with organized sports such as basketball and baseball. These leagues are very competitive and help the athlete prepare in the off season.

Unorganized sports are also very popular around town. Students can be seen riding bikes and playing football, basketball and tennis at one of the various parks in Saugus.

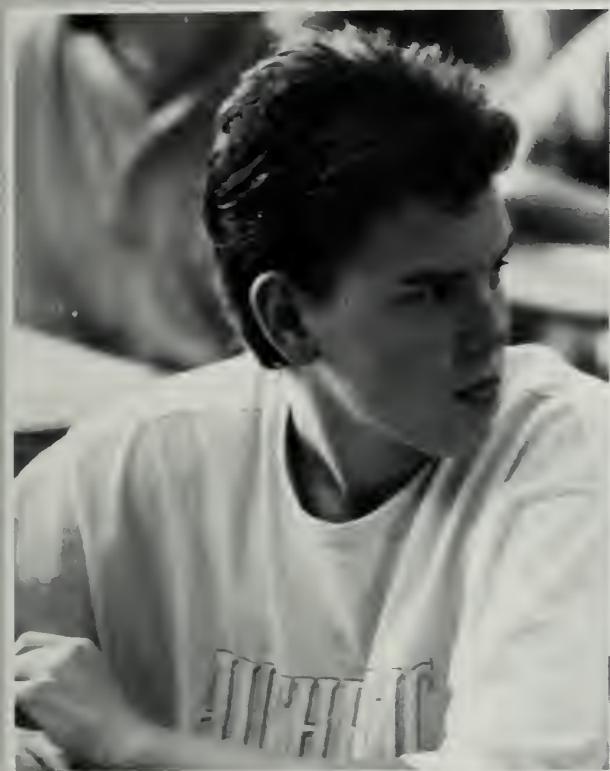

1991

SENIORS BETWEEN CLASSES . . .

... AND DURING CLASS

Having to sit through classes can be one of the worst things in the whole world! Students write notes, scribble or draw in their notebooks, and most of all watch the clock until the bell rings and you are free.

As you walk down the noisy halls you see people chatting with friends, some students are at their lockers, and then the bell. Time to go back to class, the halls are empty once again with the exception of a few students running to their next class.

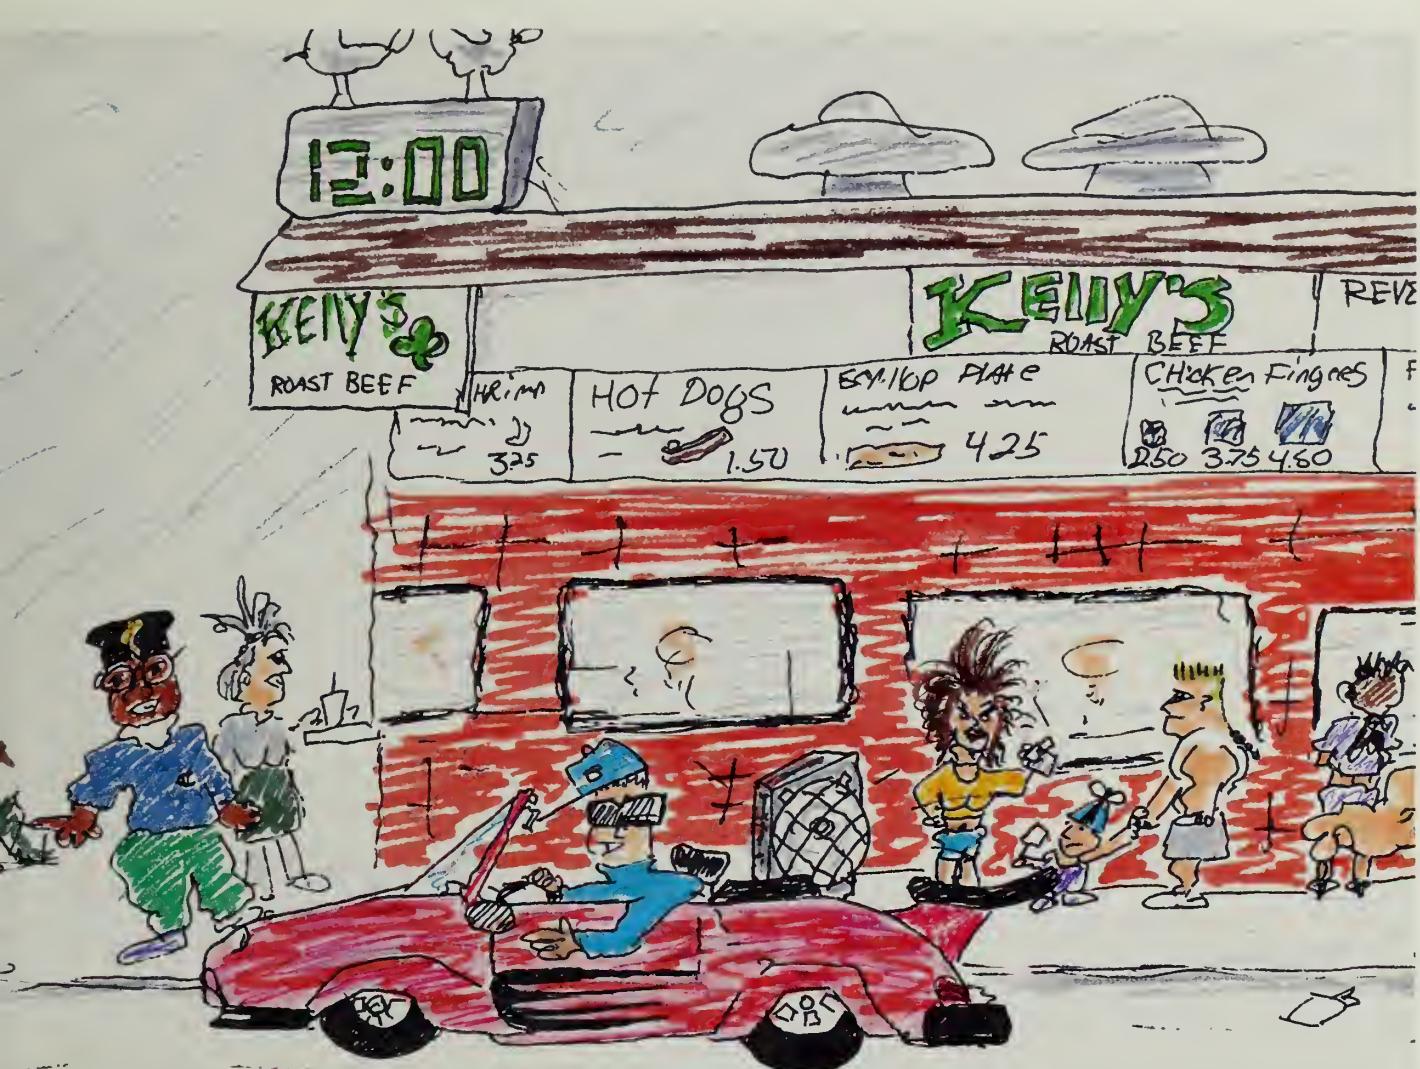

SUMMER MEMORIES

Summer Memories

Summer is a short ninety-four days. These are probably the best days of the year. It is a time for sunny days at the beach, ice cream, carnivals and all-night parties. For some, getting a tan is the major goal. Others set their sights higher by acquiring jobs and striving to make money for future goals.

Art by Bryan Murphy

SUMMER JOBS

WHAT? WORK???

A summer job can be a great way of making extra money. Although these jobs can be tedious and take away from our time in the warm summer sun, having extra money is a great feeling. Everyone spends the money differently. Some spend it on clothes, others on music and some actually save their money.

FASHIONS AND FADS

Throughout our lives we have followed and started some strange fashions and fads. Everything from Jordache pocketbooks, to tie-dye, to Guess jeans. Oh, and let's not forget the guys. They have had their share of fads as well.. How many ran out to get earrings or tattoos because it was the in thing to do?

As for hair, the girls have gone from the Dorothy Hamill cut, to the sculpted stiff, six inches above the head look. The boys on the other hand, went from tails down their back to the spiked up military do.

Looking back at the crazy fads, it will be interesting to see what novelties will continue to rage after we have left high school. Will the high hair fall? Will the tight jeans split? Will the tattoos fade? Wait and see.

THEY BEGAN WITH A WIN

The first football game is always exciting. The band is playing, the cheerleaders are cheering, and the fans are there for moral support. Both football teams are hoping to open the season with a win. This year Saugus played an intense game and came away big winners. The final score was Saugus 40 - Winthrop 6.

COLOR DAY 1991

ROBIN HOOD COMES

November 21 concluded a suspense filled week of activities and capped off months of hard work. The 1990 Color Day was unique in many ways. Freshman competed for the first time in the history of Color Day, with a take off on the Brady Bunch. The sophomores' contribution was a rendition of Annie and the juniors performed "The Year without Thanksgiving". Our class did an outstanding job in the spoof of Robin Hood and his part in Saugus High football history. This was our last Color Day and although it did not meet our expectations, it was a success and brought our class together in spirit.

Peer Education was developed from the idea that Saugus High School students can be very helpful to each other, as well as younger students, by influencing decision making skills and behavior concerning self esteem, peer pressure, drug/alcohol use, and various other issues facing the youth of today. In our program the student peer leaders are trained in various areas to help them prepare to lead group activities and visit classrooms.

Some of the main projects for the year include several elementary lessons to all the 5th graders in Saugus, a commercial for the local cable T.V. station on drinking and driving, and an all day Middle School Fair showing all the activities offered at the high school.

STUDENT COUNCIL

The Saugus High Student Council consists of students grade nine through twelve. Members are active within the school and the community of Saugus. This year has been a very prosperous year for the council. Activities involving the senior citizens and the youngsters in Saugus were instituted.

Our goal this year was to be the best we could be. The council attended several NEMASC and MASC conventions which allowed us to communicate with schools in different regions. Student Council has been beneficial to all involved and this year's council has left a working structure that will improve in future years.

THE WIZARDS OF OZ

SACHEM TIMES

The students of the Sachem Times staff are the journalism classes of Saugus High. Each week they create a page in the Saugus Advertiser composed of work done entirely by students. Topics the students write on range from teacher profiles to horoscopes. The advisors are Mrs. McHale, Mrs. Sullivan, and Mr. Joyce, who was *almost* elected favorite teacher.

VISTAS is the literary magazine of Saugus High School. Published once a year, it contains the short stories, dramas, and poems of the students of Saugus High.

Students in all grades are invited to participate. Staff members enjoy new friendships and literary growth and benefit from the hands-on experiences associated with the production of a magazine.

Members of the 1991 VISTAS staff are Dan Agreste, Heather Anderson, Kim Blanchard, Amy Call, Paul Cole, Brian Donovan, Amie Dunbar, Jennifer Flood, Alison Labuda, Betsy Mordaunt, Renee' Saulnier, Jackie Tankevich, and Tricia Tankevich. The faculty advisor is Mr. Bernard of the English Department.

Officers: Presidents-Kristen Uglietta and Michael Collins
Vice President- Paul Cole
Secretary- Linda Durante
Treasurer-Zina Chiarenza

The first production of the 1990-1991 Saugus High School Drama Club, "The Wizard Of Oz", has brought many new experiences to the members of the cast as well as the town of Saugus itself. For the first time, the high school has combined with the middle and elementary schools to put together an incredible show. As always, under the excellent direction of Ms. Nancy Lemoine, the club is hoping to continue the achievements accomplished last year.

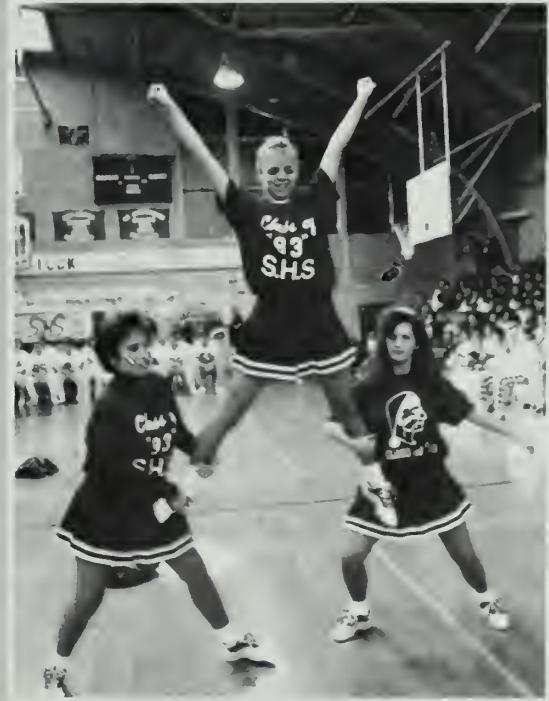

SOCER HOCKEY CHEERLEADERS

The 90-91 Soccer-Hockey Cheerleaders are proud to be a part of the Saugus sports curriculum. During the soccer season they competed in two NEC cheerleading competitions. The first one, in Beverly, was uneventful. However, during the second one in Woburn, the girls took home first place. The girls are planning to attend the Salem hockey competition. The entire squad enjoyed cheering their team on throughout the year. Twelve of the fourteen girls are anxious to do it all over again next year. From the two graduating seniors - thanks for everything and good bye S.H.S.!

The Soccer-Hockey cheerleaders are: seniors Nicole Sheldon, Capt. Stacy Morrison, juniors Kristen Bucciere, Capt. Julie Clark, Angela Famolare, Lisa Larson, Becky Wallace, Erica Willis, sophomores Jen Belmonte, Aimee Melanson, Kerry O'Leary, Amy Pristakis, Michelle Procopio and Betsy Sheehan.

FOOTBALL/BASKETBALL CHEERLEADERS . . .

Left to right kneeling: Tanya Leccese, Capt. Kara Shipulski, Capt. Tammy DiMinico, Eileen Barrett, Linda Durante. Standing left to right: Rene O'Leary, Allyson Ferri, Karen Karpenko, Kristin Wing, Kerri Flynn, Emily Lawrence, Kim Pantano, Shanon Whitney, and Jen Dowd.

The Saugus High 1990-1991 Football/Basketball Cheerleaders have been a unique and determined squad. They possessed all of the characteristics of a successful team. Their enthusiasm lead the Sachems to numerous victories. The squad was involved in two NEC competitions. The key to the success of this year's squad was their dedication to the hard working teams. Through the rain and snow, we cheered our team to victory. The memories that these cheerleaders had will always remain with them. Through all of those glory days of victory and solemn days of defeat, they stuck together as a team. As the pompons fall and the uniforms get passed on, the 1991 cheerleaders leave their Sachem spirit now and forever.

SCIENCE CLUB

The Science Club is an active club open to any student possessing an interest in science. The club was formed by students wishing to explore topics and activities beyond the normal classroom experience. To this end the club joined the North Shore Science League: a group composed of twenty four public and private schools in the North Shore area. The league sponsors six competitions during the school year where teams meet in intense but friendly competition.

The Tutoring Club is designed to provide students as tutors to any student with an academic need. The tutors come mostly from senior honors English. Requests for tutors are made to the advisor of the club. The Tutoring Club is an extremely active organization.

TUTORING CLUB

ITALIAN CLUB

The Italian Club has been one of the best yet. Annual activities of the Italian Club have been apple-picking, hayrides, visits to Faneuil Hall, the North End, and various Italian restaurants. Annual fundraisers have been the Italian meal for the faculty, the bake sale and the candy drive. The money raised goes to a scholarship for one graduating senior who has been an active member of the Italian Club. The club also sponsors a boy named Jaime Olmendo, from Chile. This year's officers and club would like to thank Signora Morando for all her hard work for this year's club.

President-Tricia Messina, Vice President-Diane Lucchesi, Secretary-Susic Ciampa, Treasurer-Graziella Gambale

FRENCH CLUB

Bon Jour . . .

The 1990-1991 French Club, under the direction of Mme. Fich, was a small group of etudiants. The officers include: President Paul Cole, Vice President Phil LaVoie, Secretary Jo-Marie Cushing, and Treasurer Mike Collins. The Board of Directors consists of Amy Cacciola, Amy Call, Tricia Tankevich, and Jen Flood.

S.H.S BAND AND SQUADS

The Saugus High School Band and Squads have maintained a long tradition built on dedication to quality performances. The Students have, over many years, under the direction of Jerome Mitchell, traveled and performed throughout the United States and Canada. They also performed on national television for many sports events, namely professional baseball games. This year the band and squads will continue to present their high standard of performance.

This year, the football team had it's finest season since 1977 while compiling eight wins to just two losses. In addition, this years team amassed two hundred and eighty-eight points which eclipsed the former Saugus High School scoring record of two hundred and eighty-four points. The seven Northeast conference All-Stars from the team were the most Saugus has ever put on the all-star team. One thing the fans did not notice was the chemistry and closeness between the team and the coaches. This closeness created many memorable moments for the group of seniors and Coach Ward who ended their football careers at Saugus High School. Some of the more precious and funny moments of the season were, Riggs' hyperventilated TD run, Dan's TD recovery, Heff and Dan losing control in Swampscott, Durt's five TD performance vs. Gloucester, Ickey getting kicked by a pigeon and missing Winthrop. There were also, Ryan's four TD's in Beverly, Todd's confrontations with George, Boo's three TD passes in Marblehead, and finally, the first ever offensive lineman game during practice.

seniors, (L to R), Mark Dakin, Christian McMahon, Micheal Newbury, Seth Hatch

This years boys soccer team was a success in all areas except in their over-all record of 6-12-0. The team trademarks were cohesiveness as a unit and competitiveness. The boys never quit and won and lost as a team. The game highlights were three exciting victories and a dominating 5-0 win over Gloucester.

The team was lead by four exceptional seniors, Captain Chris McMahon, Captain Mike Newbury, Halfback Seth Hatch and Goalie Mark Dakin. Their character and work ethic earned the friendship and respect of their teammates, opponents and coaching staff. If the remaining team develops into tournament quality, these four men can be proud to know they landed the foundation for success.

Chris McMahon topped off his varsity career by being unanimously selected to the NEC All Star Team.

GIRL'S SOCCER

The 1990 SHS Women's soccer season was a big question before the whole thing began in last August. The team had lost six outstanding starters from the year before. There were five returning starters, but many untried players would have to take up alot of slack for the season to be successful. The preseason scrimmages were the first clue that this team was to be special; Saugus 8, Revere 1, Saugus 1, No. Reading 3, Saugus 8, Stoneham 3, and state powerhouse Andover 1, Saugus 2.

The first two games were difficult, Saugus 1, Beverly 1, and Bishop Fenwick 3, Saugus 1. Then Saugus went on a roll and the rest of the season went like this;

Saugus 3	Marblehead 1
Saugus 5	Lynn English 0
Saugus 3	Swampscott 1
Saugus 5	Lynn Classical 0
Saugus 4	Danvers 1
Saugus 1	Salem 0
Saugus 4	Winthrop 0
Saugus 1	Beverly 1
Saugus 0	Bishop Fenwick 2
Saugus 0	Marblehead 2
Saugus 2	Lynn English 0
Saugus 2	Swampscott 0
Saugus 4	Lynn Classical 1
Saugus 1	Danvers 0
Saugus 0	Salem 0
Saugus 3	Winthrop 1

The team finished at 12-3-3, and took 27 points, more than any other Saugus team had before. They were rated for most of the season, 5th in the state by the Boston Globe's coaches poll. They were seeded 4th in the state tournament. Unfortunately, they lost to a strong Concord/Carlisle team, that went on to become the 1990 State Champions.

FIELD HOCKEY

The 1990-1991 Saugus High Field Hockey team completed a not so much victorious as much as improved season with a 4-6-1 record, putting the girls in fifth place in the Northeast Conference. The team is graduating six seniors, all of whom will be missed for their outstanding skills and crazy personalities. Leading the team were: Co-Captains Heather Anderson and Amy Cacciola, who were both LYNN ITEM All-Stars, Heather was also an NEC All-Star. The other seniors on the team were Alexis Kirk, NEC All-Star, Jenn Abbott, and Amy and Pamela Call, both of whom were nominated as NEC All-Stars. Heather Anderson and Amy Call led the team with three goals each and a combined effort of four assists. Alexis Kirk and Amy Cacciola were our mainstay defense as fullbacks. In the net, Pam Call kept us in many of our games with an impressive eighty percent shot/save percentage, and Jenn Abbott was our number one cheerleading player.

CROSS COUNTRY

Cross-Country

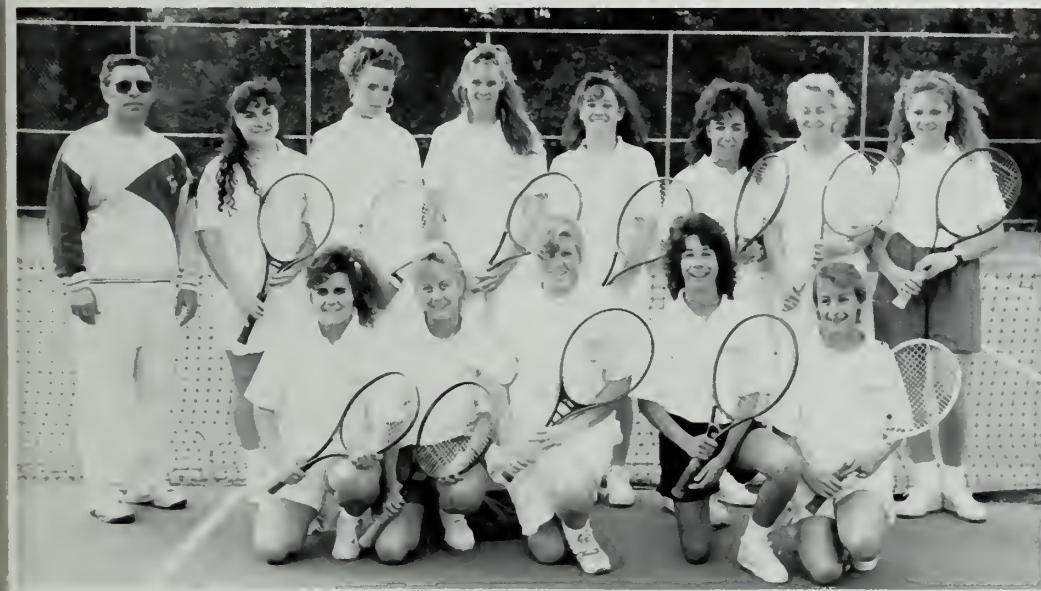

This season was a learning experience for the young Sachem harriers. The fact that the team often competed with the minimum of five competitors often worked against the team. Senior Co-Captain Chuck Falzarano, junior Co-Captain Brian Guinta and Matt Sheehan, sophomore Jason Baker and freshmen Bret Cyr and Ernie Di Giambattista ran their best against stiff competition. With most of the team returning things are looking up!

GIRLS TENNIS

The girls tennis team had a fun and memorable season. The most embarrassing moment was when Stacy Nazzaro was hit with a tennis ball during a match. The funniest moment was when Amanda Chamberlain was playing doubles and in *slow-motion* did a forward roll down the court. The most frustrating moment was watching Irene trying to finish a match against Classical at 7:00 o'clock at night.

Front row-Michelle Lamb, Stacy Nazzaro, Nicole Auclair, Joy Schifano, Beth Manoogian Back row: Coach Manoogian, Irene Mahoney, Courtney Kelly, Captain Julie Dowd, Katie Allen, Zina Chiarenza, Erin Doherty, Amanda Chamberlain

Our season record was four wins, four losses and one tie. A .500 record is acceptable considering the fact that we had only three seniors, Brian D'Amico, Steve McCarthy and Tom Haught. Captain Brian D'Amico played the third position. He had the strength and leadership the team needed. Steve McCarthy played well at the fourth position. He was the most improved member of the team. Playing the first position was Leo D'Antona, while another junior, Brian McCabe played second position. Tom Haught, the third senior on the team, played well at various positions. He was a great competitor, filling in wherever needed. The rest of the team was made up of talented underclassmen. Next season looks extremely promising. I would like to wish the graduating seniors the best of luck in their future golf expeditions.

Third Row-L to R, Jerry Tammy, Chris Wortman.

This years ice hockey team, lead by captains Brian D'Amico, Greg Natalucci, and Wayne Penny, and assistant captains Bill Heffernan and Rick Dawicki, was one of the more competitive teams at Saugus during coach Brazis' reign at the helm. The six seniors on the team closed out their careers this season. Brian D'Amico, Jamie Blakely and Greg Natalucci were standouts at forward. Wayne Penny and John Prezioso played stellar defense, and the goaltending of Bill Heffernan kept the Sachems in many games. Every time this team stepped on the ice, they were ready to play. Each player played to his full potential as shown by the fine play of Mike Moriello, Matt Sheehan and Glen McKay. Under coaches Scott Brazis and Matt McGovern the team was able to compete in a league of strong teams.

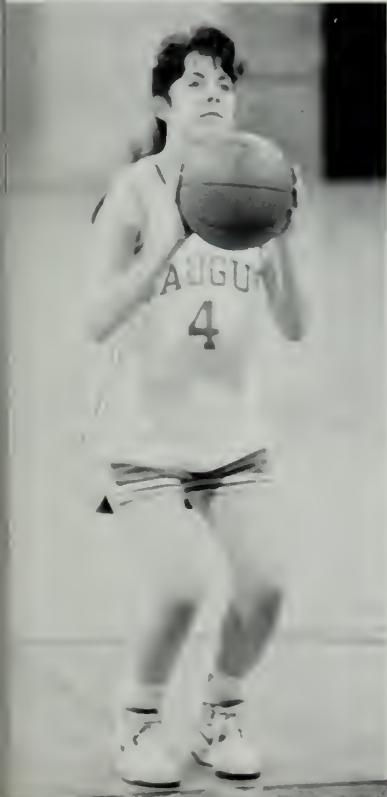

GIRLS BASKETBALL

First row (l to r): Lisa Marino, Pamela Call, Captain Kelly Trecartin, Colleen Fahey, Jill Moriello. Second row (l to r): Melissa Shell, Renee Saulnier, Jenn O'Connell, Joelle Surette, Joanne O'Connell, Shannon Sullivan, Leanne Brown.

Seniors (l to r): Lisa Marino, Pamela Call, Colleen Fahey, Renee Saulnier, Captain Kelly Trecartin, Jenn O'Connell, Shannon Sullivan.

BOYS BASKETBALL

Tri-captains Chris Toglia, Chris McMahon, and Steve Priftakis.

The seven seniors of the 1990-91 basketball team contributed immensely to the success of the team. They are: Chris McMahon, who has an uncanny ability to anticipate and block shots. Steve Priftakis, who is an excellent ball handler and has terrific dribbling skills. Chris Toglia, who is an excellent shooter and teams with Steve to form an effective defensive tandem. Erik Tumasz, an outstanding three point shooter who is very intense. Matt Filosa, a tremendous rebounder who is often underestimated by his opponents. Mike Cunningham, an aggressive post player who combines with Matt to form the "Bruise Brothers" and Chris Mikulski, who is a hard worker and an excellent athlete.

WRESTLING

This year the SHS wrestling team compiled a 2-13 record . . . a record that is not reflective on how well the team performed. With a new Head Coach in his first season and with a limited amount of experience . . . the team did very well. The view of next year's team is one of optimism since the team is losing only two graduating seniors, Seth Hatch and Ryan Magnasco . . . co-captains of this year's team. All considered the SHS wrestling team should have a great 1992 season.

First row (l to r): Anthony Haskell, Mike Ducott, Greg Garten, Seth Hatch, captain, Ryan Magnasco, captain, Frank Lasquade, Ted Pollack. Second row (l to r): Coach Jeffery, Jason Oriface, Ed Attubato, George Falzarano, Sean Publicover, Erik Whitehurst, Jeremy Tibbets, Sean Twoomy, Coach Matt Jeffery.

Another exciting day on the mats.

WINTER TRACK

First row (l to r): Liz Carideo, Armand Couture, Tom Haught, Captain Chuck Falzarano, Shawn Bolger. Second row (l to r): Brian Salerno, Jon Arsenault, Mark Bell, Steve Nardone, Brian Guinta. Third row (l to r): Coach MacNeill, Girls Captain Amy Call, Joe Burns, John Bowser, Scott Spencer, Dave Brogna, Jason Neenan, Greg Blake, Brian Ducey and Coach Couture.

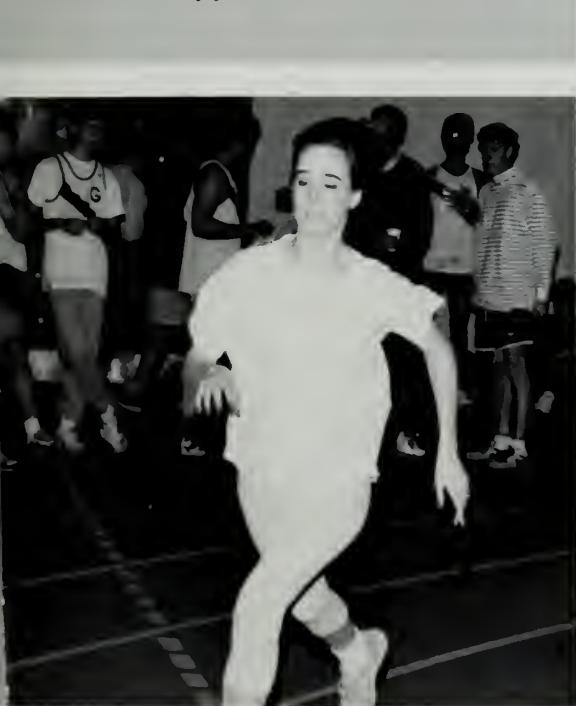

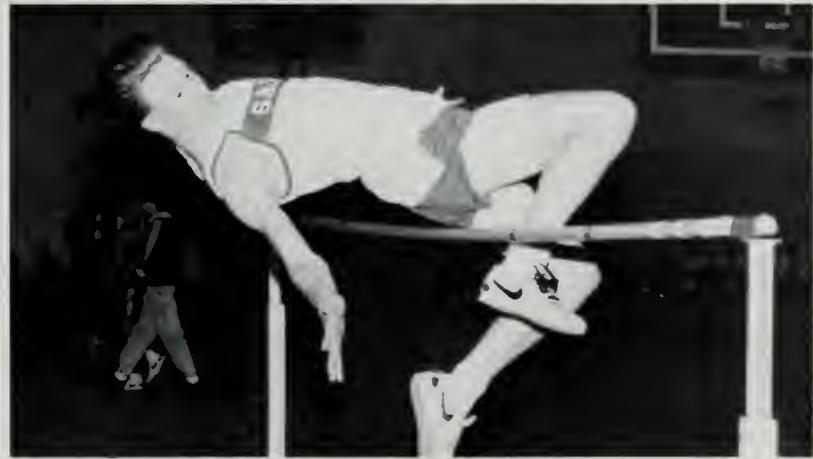

Seniors (l to r): Tom Haught, Captain Chuck Falzarano, Girls Captain Amy Call, Mark Bell, Brian Ducey.

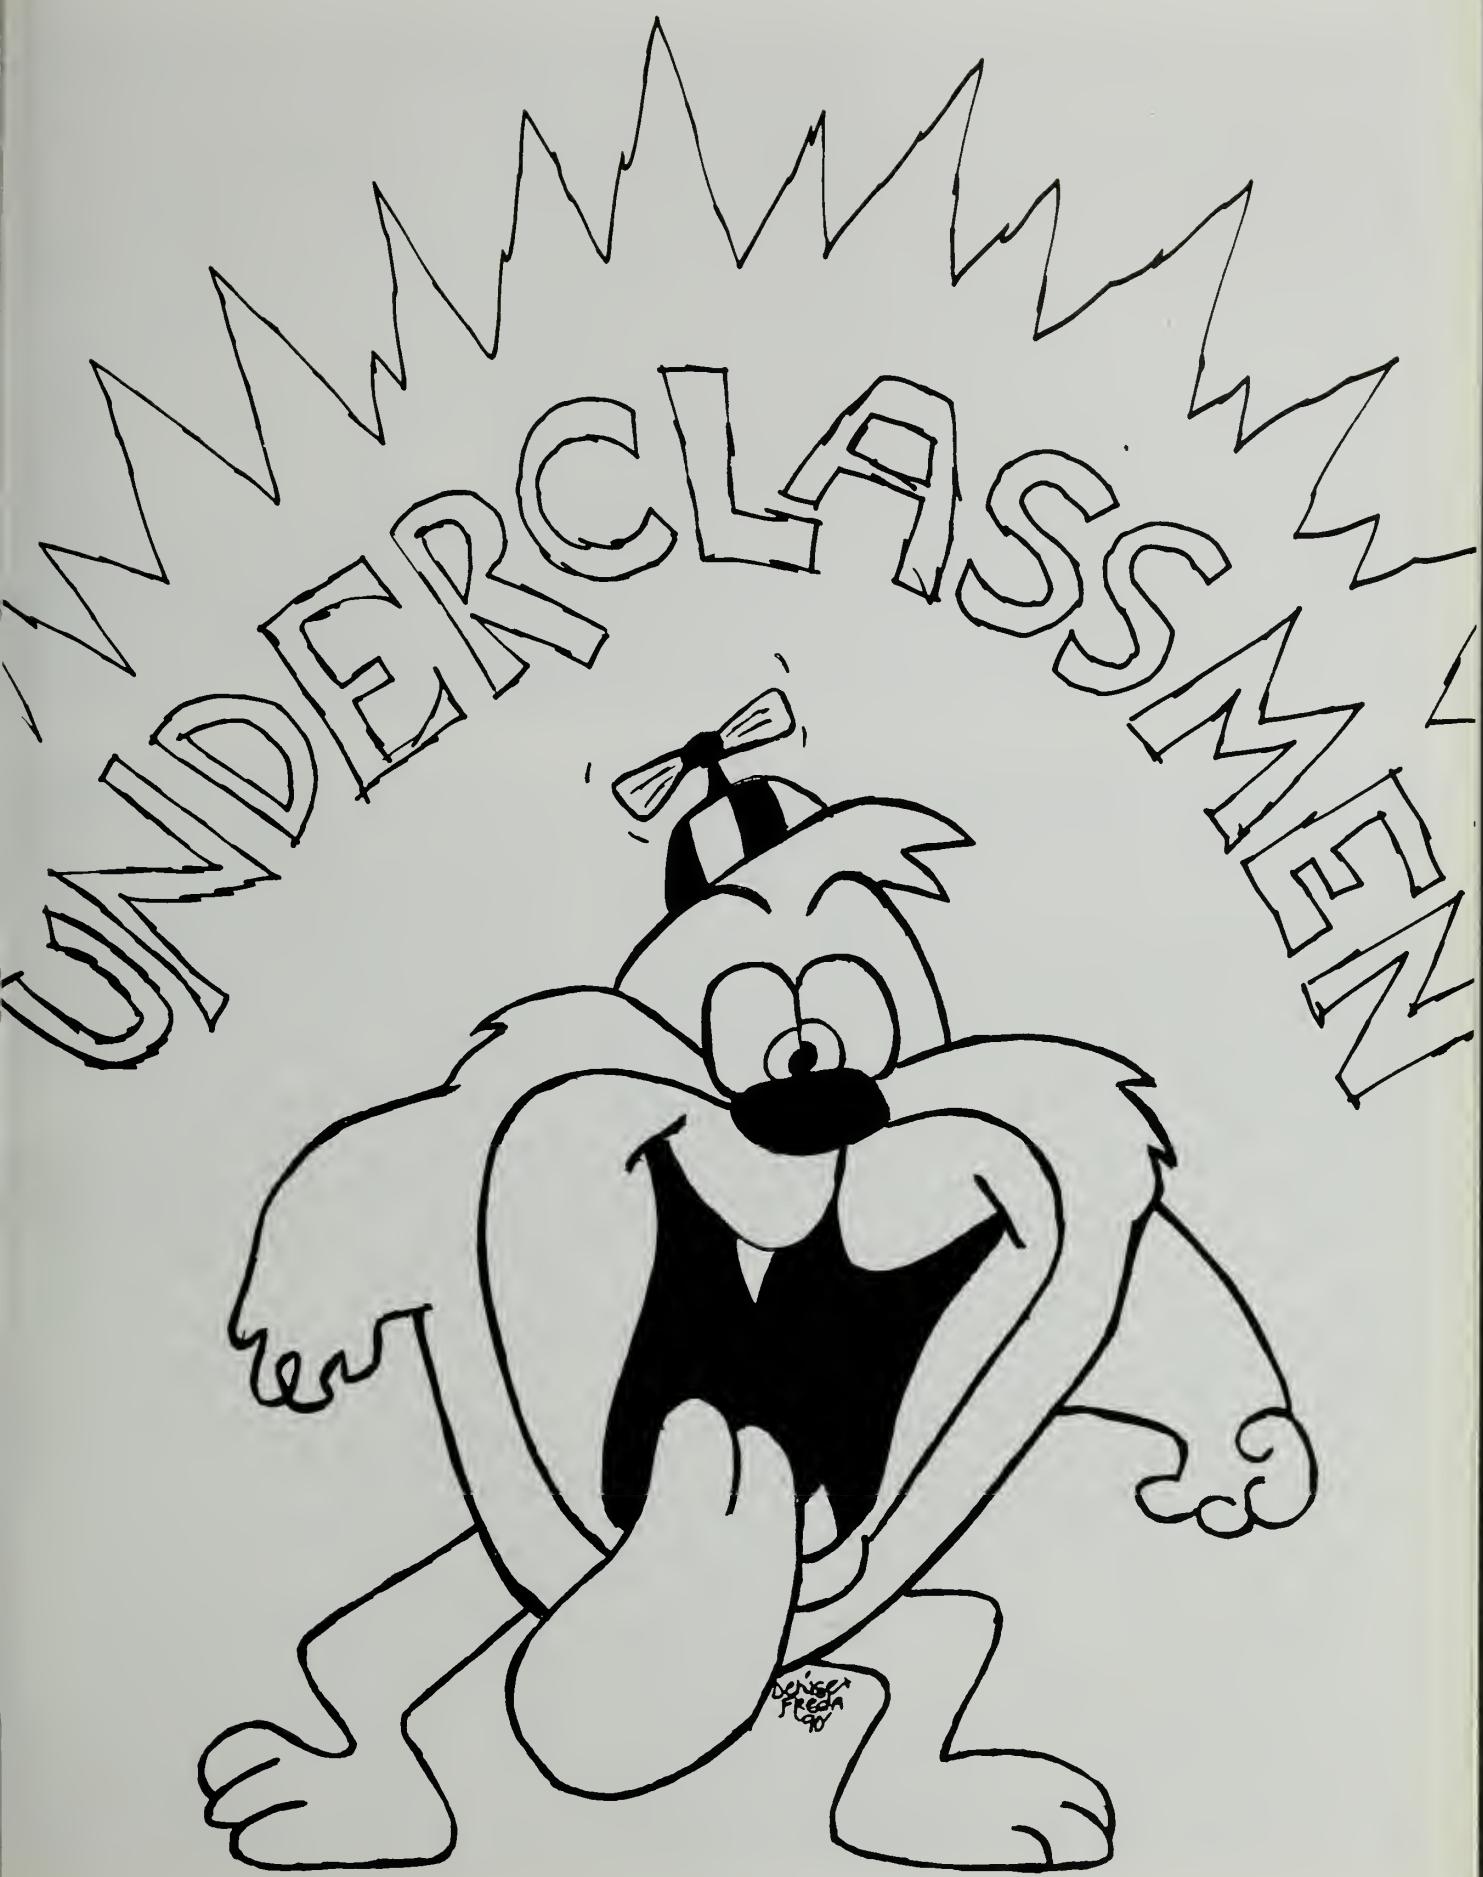

The 1991 track team was made up of sixteen boys. The team was led by senior Captain Chuck Falzarano, who ran the two mile for the team. The other seniors on the team were Tom Haught, who ran the 50 and threw the shot, Brian Ducey, who ran the 600, and Mark Bell, who also ran the 600. Other members of the team included Armond Couture, who ran in the mile, Shawn Bolger, the mile, and Joe Burns, who also ran the mile. Managing the high hurdles were Dave Brogna and Scott Spencer, who also competed in the high jump. Steve Nadolna ran the 50 and participated in the shotput. Greg Blake competed in the 300 and the shotput. Brian Guinta was a high jumper and ran the 1000. Brian Salerno was also a high jumper while in addition running the 300. Rounding out the squad were Jason Neenan who ran the 1000 and shotputter Jon Arsenault. The team was very enthusiastic, always hoping for the best. The team had a lot of power, but lacked the people to reinforce it. The team completed their year with a record of 2 - 7 - 1. Coach MacNeil wishes to thank his team for an enjoyable season.

Happiness is

sleeping over my Mammys and having a sundae with chocolate icecream, nuts, whipped cream, and chocolate syrup too. When we stay up late we have popcorn and Coke before we go to bed. My Mammy reads a story to us. Then we go to bed with my Mammy. When we get up in the morning we have bacon and eggs. When my mother wakes up she has breakfast then she comes over to get us.

Dear Kelly,

I'm proud of the way you've grown up.

I admit I still worry at times because the world has changed a lot since you were born.

Many of the choices you've had to make

have been more difficult than those I faced when I was your age.

I haven't always agreed with your decisions, but I hope you know that I respect your courage and independence in making them.

You're doing all you can to be the person you want to be, and I admire that ...

And remember -- no matter what life brings, you will always be my daughter, and I will always love you.

Congratulations!

Dear Pamela & Amy,

We know at times it is hard to be a twin. People are never quite sure who they are talking with ... are you Pam or Amy? But being the unique children that you are, you made people realize your individuality. You have both selected different interests but always with a common bond.

In your young lives you have already accomplished so much. More than we ever dreamed for you. As the time comes for you to take different paths, we pray that you keep that very special special bond that only "twins" can have.

You are truly our special gift from God! We are so proud of you both.

Pamela Call

Pammie,

As long as I can remember it's been you and me against the world. Every day we grow closer; we share laughter, tears, thoughts and dreams. We've shared so much and the best is yet to come. I can't tell you how proud I am of you and "your book". Although it hasn't always been easy being a twin, you are the best thing that has ever happened to me. No one quite understands the uniqueness and specialness of our relationship, and no two friends could have a friendship as great as ours. You truly are my closest friend and so much more.

And Pam, my strength, my friend, my guide
Thank you for walking by my side,
For helping when the road is rough,
For laughter when times are tough,
For tears that washed away the pain.
Thank you, Pam, for everything.

I love you!!

THANK YOU!

- Mrs. McHale for doing an outstanding job on the ads.
- Mr. Fabrizio for his support, help, guidance, and understanding.

- Our friends for understanding.
- Our families for their unbelievable support throughout this endeavor.
- The rest of the S.H.S. faculty for being helpful, understanding, and wonderful.
- Mr. Keddy for trusting us, believing and supporting us and most importantly being our friend.
- Mr. Palmer for letting us make our own decisions, supporting those decisions and always believing in us and sticking by us.

We couldn't have done it without you all.

OUR TRUE COLORS CAME CAME SHINING THROUGH

We've put off writing this as long as possible. We're not sure what to say or even where to start. One thing we can say is when we look into the future, we see promise for the class of 1991.

We have spent the last four years together and during those four years, we have stood by each other. By standing by each other, we have shown our true colors.

Our true colors are shades of things to come. They are what will make each of us a success. Even though we weren't always a class of unity, we pulled together in times of need.

We have put numerous hours of work into this book. We hope it will remind you of the good times over the past four years. We know the Class of 1991 will be a success. Thank you.

"Good-bye for now, I know we'll meet again, I'm not sure when. So until then I'll meet you in my memories."

The Editors

You Amy Pamela
